**DREAM NO MORE, AMEREJUVE ANNOUNCES EXCLUSIVE DEALS
AVAILABLE AFTER HOURS**

Houston, Texas (July 20, 2011) – Amerejuve is happy to announce the extension of deals that go beyond the doors of their clinics and into the homes of consumers.

Amerejuve MedSpa launched their new “After Hour Deals” campaign, a unique twist to the online daily deal craze which combines the opportunity for perspective clients to capture jaw dropping deal options and at the convenience of their fingertips. These limited deals are solely available during after ours, once the lights are turned off at the office.

Although clinics maybe closed, the deals at Amerejuve don’t rest, exclusive after hours deals are online and made available to web consumers from 6 p.m. to 6 a.m. These unique deals are unique each day and are available daily.

After hours limited deals are available for Amerejuve’s already low prices on services ranging from laser hair removal, body contouring to facial rejuvenation and other age defying services. Due to the insanely low pricing of the afterhours deal, deals are limited to the first 10 clients who take advantage of the offer each day.
