

## Amerejuve Offers Three Laser Hair-Reduction Treatments for One Area for \$150 (Up to \$657 Value)

---

Tired of painful waxing and hassling with shaving, Amerejuve MedSpa has better solutions for removing unwanted body and facial hair.

At Amerejuve, it's important to provide our clients with unbelievable savings. Wednesday, March 30 thru Saturday, April 2 via Groupon, Amerejuve will be slashing its already low prices to an unbelievable \$150 for three laser hair removal treatments.

Clients must log onto Groupon.com in order to take advantage of this phenomenal deal, this special is exclusive to Groupon subscribers. The special of three laser hair removal treatments applies to the following areas: upper lip, chin, sides of face, jaw line, underarms, bikini line, Brazilian bikini, Toes, cheeks, chin, ears, lips, front/back of neck, feet, forehead, hands, underarms, bikini lines, happy trail, shoulders, underneath chin or areolas.

Laser hair removal is an FDA approved technique of removing and/or reducing unwanted hair from practically any body part. Due to safety constraints, hair around the orbit of the eye is not permitted.

With each laser hair removal treatment permanent hair reduction is achieved unlike shaving, waxing and electrolysis.

Amerejuve is committed to providing exceptional service in a relaxed and comfortable environment; the highly trained and certified nurses and aestheticians at Amerejuve MedSpa provide additional services, such as VelaShape, and a variety of facial rejuvenation treatments for an overall and refreshed rejuvenating experience.
