About Amerejuve MEDSPA

Amerejuve offers Houston and the surrounding communities a vast array of esthetic services ranging from cosmetic facial rejuvenation to FDA-approved laser hair removal. The company was founded in 2008 as the precursor of American Rejuvenation Centers. Amerejuve is dedicated to bringing the kind of cosmetic services that were only available to “Hollywood Stars” to the mainstream. The focus of Amerejuve is non-surgical treatments for cosmetic and skin rejuvenation. Exciting new services are constantly being added. In 2010, Amerejuve will be introducing RED CIRCLE™, our exclusive, metabolism-based, personalized weight management program.
