

Amerejuve MedSpa Is Playing Cupid!

Houston, Texas (PRWEB) February, 9, 2012

Valentine's Day is around the corner. So what's more romantic than chocolate and flowers on this endearing lovely day? **A live wedding on the air of course!**

Amerejuve MedSpa, Houston's #1 Laser Hair Removal Center will be giving away a gift certificate worth over \$1,500 in services to the lucky couple! Tune in Tuesday morning around 7:30am to Dana and Marc of SUNNY 99.1 to hear the Valentine's Day couple exchange their vows.

Each Amerejuve location is staffed by a team of licensed healthcare and aesthetic professionals, all centers offer clients non-invasive, non-surgical treatments incorporating the latest technologies for laser hair removal as well as procedures which reduce frown lines and wrinkles, sculpt lips and restore a smoother, improved appearance to the face. Amerejuve also goes the extra mile in offering its client rewards with its Laser Hair Removal Buddy Program and After Hour Deals.

Houston's number one Laser Hair Removal Center, Amerejuve Medspa provides a variety of state-of-the-art non-surgical, cosmetic and skin rejuvenation services for men and women. Amerejuve has four locations in the Greater Houston Area: Amerejuve Galleria (2800 Sage Road, Suite A-200, Houston, TX), Amerejuve Sugar Land (2507 Williams Trace Blvd., Suite 102, Sugar Land, TX), Amerejuve Katy (LaCenterra at Cinco Ranch, Katy, TX) and Amerejuve Clear Lake (711 West Bay Area Blvd., Webster, TX). The phone number for all locations is (713) 960-6262.

Staffed by teams of licensed healthcare and aesthetic professionals, each Amerejuve Medspa center offers clients non-invasive, non-surgical treatments incorporating the latest technologies for laser hair removal as well as procedures which reduce frown lines and wrinkles, shape facial contours, sculpt lips and restore a smoother appearance to the face.

Each Amerejuve Medspa also offers VelaShape™, the only FDA-approved device that effectively and safely contours, shapes and slims the body by reducing cellulite and firming problem areas in as few as four treatments. Other non-surgical Medspa treatments offered at Amerejuve produce younger, healthier-looking skin or rid skin of acne scars, fine wrinkles and sunspots. Clients also can choose from several facial treatment options to cleanse, exfoliate and nourish one's skin.

Amerejuve Medspa has partnered with RedCircle <http://www.myredcircle.com>, the only personalized weight management program in Houston to offer discounted services to Amerejuve clients. RedCircle is tailored toward one's unique metabolism, genetic make-up and cardiometabolic profile. More than a diet program, RedCircle is a wellness plan designed to boost metabolism and energy while allowing the individual to lose weight and improve cardiovascular health.
