*Amerejuve MedSpa (American Rejuvenation Centers) announces expansion plan to serve North Houston clients at their new FM 1960 location. This is the medspa's fifth clinic location in the Greater Houston Area.*

Houston, TX ([PRWEB](#)) June 03, 2012 -- Amerejuve Inc., a subsidiary of American Rejuvenation Centers and Houston's #1 medspa, announced today the opening of its fifth location to serve clients in the North Houston area. The expansion will ensure that Amerejuve's affordable esthetic services including [laser hair removal](#), wrinkle removal, cellulite reduction and laser-based skin rejuvenation are available to the Greater Houston area. Amerejuve North Houston will offer a full range of cutting edge services designed and executed by licensed healthcare professionals. The new location is conveniently located on FM 1960.

"We are excited to bring our affordable first class services to North Houston in our newest facility to serve an even greater range of Amerejuve clients," said Amerejuve Chief Operating Officer, Frank Naghavi. "With the expansion into North Houston we aim to offer further convenience to both our current and new clients. We have become Houston's #1 medspa because we value our clients and offer affordable prices with high quality services," Naghavi added.

Amerejuve North Houston, located at 12020 FM 1960 W, Suite 500, Houston, TX 77065, will be open for business on Monday, June 4, 2012. The first 200 clients to schedule an appointment at the new North Houston location will receive \$200.00 off their first service.

Amerejuve MedSpa's innovative approach to wellness combines beauty, science and service to give its clients options that best fit with each individual's goal, whether that means preventative or restorative (correction, reduction or enhancement) esthetic services. Amerejuve's full line of beauty services, which include laser hair removal, body contouring and [cellulite reduction](#), lip enhancement, facial contouring, wrinkle removal and erasing sun spots and acne scars, are unparalleled in the medspa industry and all available at affordable prices. They are also the only medspa clinic in Houston that offers customer service available to clients 24 hours a day, seven days a week via phone or through their website.

Amerejuve Medspa has partnered with RedCircle to offer the only personalized medical weight loss and wellness management program in Houston. The program is uniquely tailored to each individual's genetic make-up, metabolism and cardiometabolic profile. RedCircle's weight loss and wellness program is more than a diet; it's a comprehensive approach to boost metabolism, promote and maintain weight loss, and improve cardiovascular health.
